

Atlantic Beach Home Owners Association Plant List

	NAME	TYPE	SIZE	WATER-WISE	FULL-SUN	FLOWERS	MAINTENANCE	PICTURE
<u>Restios</u>								
1	<i>Chondropetalum (Elegia) tectorum*</i> - Thatching Reed*	Restio	1.5 m high x 2-3 m wide	X	X	March-April	Well drained soil	
2	<i>Thamnochortus insignis</i> <i>Thamnochortus specigerus*</i> - Dune Weed	Restio	2.5 m tall x 3 m base	X	X	January-February	Don't plant too close to structures	
<u>Trees</u>								
3	<i>Acacia xanthophloea</i> -Fever Tree**	Tree-semi-deciduous	15-25 m	X	Full-semi	August/September-November	Fast growing 1.5 m per year	
4	<i>Buddleja saligna</i> - False Olive **	Tree-evergreen	4-5 m	Drought resistant	Full-semi	Aug-Jan Tiny cream/white honey aroma	Fast Growing, good screen plant, non-aggressive roots	

ATLANTIC BEACH

Golf Estate  Cape Town

5	<i>Cassine peragua - Cape Saffron</i>	Tree/shrub- evergreen	2-5 m		Full-semi	Feb-June Small White, fragrant	Slow growing, wind tolerant	
6	<i>Ekebergia capensis - Cape Ash</i>	Tree- evergreen	15 m	Moderate	X	Sept-Nov small white with pinkish tinge	Light water tolerant, does not like frost	
7	<i>Halleria lucida - Tree Fuchsia</i>	Tree- evergreen	2-5 m	Light drought conditions	Full-semi	May-Dec Orange to red or yellow	Fast growing, well- drained loamy soil	
8	<i>Harpephyllum caffrum- Wild Plum**</i>	Tree- evergreen	15 m	Moderate	X	Nov-Feb Whitish green flowers		
9	<i>Kiggelaria Africana- Wild Peach**</i>	Tree- evergreen	10-12+ m	Moderate	X	Aug-Jan Yellow-green	Compost summer & winter	
10	<i>Maurocena frangularia - Hottentots' Cherry</i>	Tree	3m	X	X	Small white flower cluster	Loves rocky outcrops	
11	<i>Mimusops caffra - Coastal Red Milkwood</i>	Tree-sm.-med	15 m	Moderate	X	White-cream star shaped, orange/red edible fruits	Tolerant of sea spray	

ATLANTIC BEACH

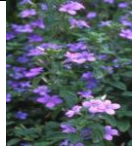

Golf Estate  Cape Town

12	<i>Nuxia floribunda</i> - forest Elder	Tree	3-10 m	Moderate	Full-semi	May-Sept. Sweetly scented sm. White flowers	Non-invasive root system, plenty of compost, med.-fast growth	
13	<i>Olea europaea subsp. Africana*</i> - Wild Olive	Tree	9 x 12 m	Moderate-Frost, drought, wind resistant	X	Oct-Feb White-greenish flowers	Aggressive root system, mulch well	
14	<i>Pterocelastrus tricuspidatus</i> – Candlewood	Tree	20 m	Moderate, tolerate wind & Sea spray	X	Early summer, Creamy white	Easy to grow	
15	<i>Rapanea melanophloeos</i> -Cape Breech**	Tree-evergreen	4-18 m	X	X	June-Dec Sm. Yellow clusters		
16	<i>Searsia chirindensis</i> – (formally <i>Rhus chirindensis</i>)- Red Current	Tree- semi-deciduous	6-10 m	X	Full-semi	Aug-Mar Yellowish-green clusters	Fast growing (1 m per year). Non-aggressive root system	
17	<i>Searsia pendulina</i> - (formally <i>Rhus pendulina</i>)- Willow Karee**	Tree-evergreen	4-9 m	Moderate, semi-drought tolerant	X	Spring-summer, tiny green flowers	Quick-growing	

18	<i>Sideroxylon inerme*</i> - Milkwood	Tree-sm.-med, evergreen	10-15 m	Moderate	X	Nov-April Greenish white flowers	Cannot tolerate direct sea wind	
19	<i>Sysigium cordatum</i> - Water Berry	Tree-evergreen	8-15 m	Water well	X	Aug-Nov White to pinkish flowers	Plant in damp areas	
20	<i>Tarconanthus camphorates</i> - Wild Camphoor Bush	Tree	2-9 m	X	X	Mar-Nov, creamy white flowers	Sandy soils, can tolerate wind	
21	<i>Virgilia oroboides</i> - Pink Blossom Tree**	Tree	10 m	Water well	X	Aug.-Nov Pinkish to violet flowers	Fast growing	
<i>Shrubs</i>								
23	<i>Adenandra villosa</i> – Shepherd's Delight Buchu	Shrub-evergreen	450mm	X	X	July-Oct Pink or White	Slow growing	

ATLANTIC BEACH

Golf Estate  Cape Town

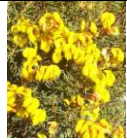

24	<i>Agathosma imbricata</i>	Small Shrub	30-100 cm	X	X	Five white, pink, dark red-purple petals	Aromatic	
25	<i>Agathosma thymifolia</i> <i>Thyme-leaved Buchu</i>	Shrub	1m+	X	X	Aug-Oct Pink or mauve	Sandy slopes or dunes	
26	<i>Anisodonteia scabrosa</i> – <i>Hairy Mallow</i>	Evergreen Shrub	1.8 m	Regular watering	Semi-full	Year around Dark rose flowers	Hardy species	
27	<i>Barleria obtuse*</i> - <i>Bush Violet</i>	Shrub- evergreen	2 m	Regular watering	Full-semi	April-May Dainty violet flowers	Compost well	
28	<i>Barleria rotundifolia</i> - <i>Spiney Yellow Barleria**</i>	Shrub- evergreen	1 m	moderate	X	Dec.-later summer Butter-colored flowers	Sandy to loamy soils, compost well	
29	<i>Buddleja salviifolia</i> – <i>Sage Wood</i>	Shrub-semi- evergreen	4m	X	X	August-October White to lilac flowers, small	Grows in any soil, compost for better results	

ATLANTIC BEACH

Golf Estate  Cape Town

30	<i>Brabejum stellatifolium</i> – <i>Wild Almond</i>	Shrub to small tree-evergreen	4-15m	Regular watering	X	December-January White, sweetly scented flowers	Fast growing, compost, water well	
31	<i>Bauhinia galpinii</i> - <i>Pride of De Kaap</i>	Shrub-climbing	2.5m	X	X	September-March Brick-red flowers	Requires space & Protection from the wind	
32	<i>Carissa macrocarpa</i> - <i>Natal Plum</i>	Shrub	4m	Water well	Full-semi- shade	Spring to mid- summer, white	Fast growing	
33	<i>Coleonema alba / pulchellum</i> - <i>Klipboegoe / Konfettibos</i>	Shrub- evergreen	0.8-1m	X	X	May-October pink flowers	Well drained soil, compost	
34	<i>Chrysanthemoides monilifera</i> * - <i>Bietou</i>	Shrub	2m	X	X	Perennial, bright yellow flowers	Compost winter and spring	
35	<i>Chrysanthemoides incana</i> * <i>grysbietou</i>	Ground cover- shrub	Up to 1m	X	X	Perennial Yellow daisy flowers	Great for seaside gardens Compost winter and spring	

ATLANTIC BEACH
Golf Estate  CAPE TOWN

36	<i>Cyclopa genistoides</i> – <i>Honey Tea Bush</i>	Shrub-small	1m	X	X	Spring, yellow flowers	Likes well drained soil	
37	<i>Elytopappus rhinocerotis</i> - <i>Rhenoster Bush</i>	Shrub-small	2m	X	X		Fast growing	
38	<i>Eriocephalus africanus</i> – <i>Wild Rosemary</i>	Shrub- evergreen	1m	X	X	Winter, small white flowers with a purple center disk	Well drain soil	
39	<i>Euclea capensis</i> *- Large-leaved Ghuarri	Erect Shrub	1.2-9m	X	X	Greenish-white to creams flowers	Fleshy Berries	
40	<i>Euclea racemosa</i> * - <i>Seeghwarrie</i>	Evergreen Shrub	2-6m	X	X	December-March Creamy white, bell- shaped flowers	Green, red, to black fleshy fruits	

ATLANTIC BEACH

Golf Estate  Cape Town

41	<i>Euryops pectinatus / Virgineus - Grey Leafed Euryops / River Resin Bush</i>	Shrub-evergreen	1.5m	Moderate	X	Free flowering, yellow flowers/ July-September	Fast growing	 
42	<i>Hemizgia obermeyerii – Hemizygia</i>	Shrub	1.8m	Moderate	X	December-April Mauve flowers	Fast growing Prune in winter, after flowering	
43	<i>Hypoestes aristata- "Purple Haze"- Ribbon Bush**</i>	Shrub-evergreen	1m	X	X	Early winter Deep purple flowers	Very tough plant	
44	<i>Indigofera incana* - Pienk Lewertjie</i>	Perennial Shrub	10 cm	X	X	Rose- red flowers		
46	<i>Lebeckia cytisoides* - Wild Broom</i>	Shrub-sparsely branched	1 m		Full-semi	Spring Bright yellow flowers		
47	<i>Lycium ferocissimum* - Box Thorn</i>	Shrub-spiny	5 m	X	X	Purple, white, or greenish-white flowers		

ATLANTIC BEACH

Golf Estate  Cape Town

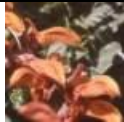

48	<i>Maytenus heterophylla</i> – (<i>Gymnosporia buxifolia</i>) <i>Common Spike Thorn</i>	Shrub-small tree	1-1.5m	X	X		Good perimeter plant berries	
49	<i>Metalasia muricata*</i> - <i>Blombos</i>	Shrub	2-4m	X	X	Winter blooming White flowers clusters	Low maintenance	
50	<i>Myrica quercifolia</i> – <i>Waxberry Bush</i>	Shrub- evergreen	0.5-1 m	X	X		Well drained soil	
51	<i>Myrica (Morella) cordifolia*</i> - <i>Waxberry</i>	Shrub- evergreen	2-3 m	X	Semi-full	April-June Male plants- red buds Female- purple	Low growing	
52	<i>Nylandtia spinosa</i> - <i>Tortoise Berry</i>	Shrub	1x1m	X	X	April-October Purple, pink, or white flowers	Any well drained garden position	
53	<i>Orthosiphon spp.</i> - <i>Orthosiphon</i>	Shrub	1.5m	X	X	Summer flowering mauve	Free flowering in well composted and watered gardens	
54	<i>Perlagonium gibbosum*</i> - <i>Dikbeen Malva</i>	Shrub	80cm	Medium	X	Pale yellow flowers	Likes sandy, rocky substrate	

ATLANTIC BEACH

Golf Estate  Cape Town

56	<i>Plumbago auriculata</i> <i>Cape Leadwort</i>	Shrub- scrambling	3 x 3 m	X	X	November-May Light blue flowers	Good informal hedge Need continual pruning	
57	<i>Plumbago auriculata 'alba'* - White Plumbago</i>	Shrub- scrambling	3 x 3 m	X	X	November-May White flowers	Good informal hedge Need continual pruning	
58	<i>Polygala myrtifolia - September Bush</i>	Shrub- evergreen	0.6-1.8m	X	Full-semi	Free flowering Height – Aug-Oct Mauve, purple, pink, and white flowers	Fast growing Most soil types	
59	<i>Podalyria cayptrata - Water Blossom Pea</i>	Shrub	2-3m	moderate	X	July-October Mauve/pink flowers	Fast growing Well drained/well composted soil	
60	<i>Putterlickia pyracantha* - False Spike Thorn</i>	Shrub	2 m			White flowers		
61	<i>Searsia dentata* - Nana-berry</i>	Shrub- deciduous	6 m	X	X	Sept.-Nov. Yellow to orange-red flowers	Compost annually	

ATLANTIC BEACH
Golf Estate  Cape Town

62	<i>Rhus glauca</i> – <i>Blue Kuni-bush</i>	Shrub	5 m	X	X	June- September Tiny white to greenish-white flowers		
63	<i>Rhus laevigata*</i> - <i>Dune Currant</i>	Shrub- deciduous	2m	X	X	Insignificant flowers	Thrives in sandy substrate	
64	<i>Senecio halimifolius</i> – <i>Takakbos</i>	Shrub	2m	X	X	Nov-Jan Yellow flowers		
65	<i>Salvia africana-caerulea</i> – <i>Blue sage</i>	Shrub	2m	X	X	June-January Bluish/purple, pink flowers	Well drained soil Water well until established	
66	<i>Salvia africana-luutea</i> – <i>Beach Salvia</i>	Shrub	2m	moderate	X	Early spring Yellow flowers turn to ruined orange	Light well drained soil/plenty of mulch	
67	<i>Salvia dolomitica</i> – <i>Woolly Leafed Sage</i>	Shrub	2m	X	X	Mauve & cream flowers		
68	<i>Salvia chamelaeagnea</i> – <i>Light Blue Sage</i>	Shrub- dense evergreen	2m	Regular watering	X	November-May Blue, mauve, to pure white flowers	Likes good garden soil	

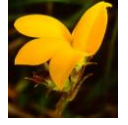

ATLANTIC BEACH
Golf Estate  Cape Town

69	<i>Salvia lanceolata*</i> - Red Sage	Shrub	2m	X	X	September-June Flowers are shades of red	Prune to keep from being woody	
70	<i>Solanum guineense*</i> <i>Sea Nightshade</i>	Shrub	1.5m	X	X	Mar-Aug Mauve-light blue	Sandy slopes & dunes Yellow-red berries	
71	<i>Strelitzia reginae</i> - Bird of Paradise	Shrub	1.5m	Water well	Full-semi	Autumn, winter, spring flowering	Rich, loamy soils Slow release fertilizer/compost	
72	<i>Sutherlandia frutescens*</i> - Cancer Bush	Shrub	0.5-1m	X	X	Sept.-December Orange-red flowers	Fast growing All soil types	
73	<i>Tecomaria capensis</i> - Cape Honeysuckle	Shrub- evergreen, scrambling	2-3m	X	Full-semi	Year around, red, orange, yellow, salmon	Fast growing, prune back in late winter	
74	<i>Tetragonia Fruticosa*</i> - Kinkelbossie	Shrub- sprawling	1 m	X	X	September-November Tiny yellow flowers	Likes sandy or gravely soils	

75	<i>Zygophyllum flexuosum</i> - <i>Spekbossie</i>	Dwarf shrub	1.5m	X	X	July-October Yellow flowers	Likes dune slopes & flats	
76	<i>Zygophyllum morskana</i> * - <i>Tortoise Bush: Slaibos</i>	Dwarf shrub	2m	X	X	Yellow flowers	Coarse-sandy soil	
<i>Herbaceous Perennials</i>								
77	<i>Anthanasia parvifolia</i> – <i>Coulter Bush</i>	Shrub	3 m	X	X	Late spring Yellow flowers	Quick growing	
78	<i>Eriocephalus africanus</i> * - <i>Wild Rosemary</i>	Shrub-small evergreen	1 m	X	X	Winter flowering, small white bunch flowers	Easy to grow, light pruning for bushier growth	
79	<i>Felicia amelloides</i> – <i>Blue Marguerite</i>	Shrub- evergreen, perennial	1 m	Moderate watering	Full- semi	October- February Sky-blue flowers	Hardy , fast growing	
80	<i>Hermannia pinnata</i> - <i>Doll's Rose</i>	Shrub let, Ground Cover	150 mm	X	X	Summer Honey scented orange bells	Fast growing, mat forming, creeping stems	

ATLANTIC BEACH

Golf Estate  Cape Town

81	<i>Leonotis leonurus</i> * - <i>Wild Dagga</i>	Shrub-robust	2-3m tall- 1.5m wide	Summer watering	X	Autumn Bright orange flowers	Fast growing , frost hardy	
82	<i>Lobelia alata</i>	Ground covering shrub	600mm	Moderate watering	Semi-full	Summer Blue flowers	Fast growing	
83	<i>Metalsia muricata</i> * - <i>Blombos</i>	shrub	2-4m	X	X	Winter White, to pink, to purple flowers	Grows well in sandy or poor substrates	
84	<i>Monopsis lutea</i> * - <i>Yellow Lobelia</i>	Evergreen perennial	15 cm	Moderate- high watering	Semi-full	Early Spring Golden yellow flowers	Good for hanging baskets Fast growing	
85	<i>Orphium frutescens</i> – <i>Sticky Flower</i>	Evergreen Perennial	60cm	Regular watering	X	Nov. – Feb. Deep purple to white flowers	Grow well in damps spots, sea wind tolerant	
86	<i>Perlagonium capitatum</i> * - <i>Rose Geranium</i>	Bushy shrub	Up to 0.3m tall- 1.5m wide	X	X	September- October Pink flowers, rose scent	Does well in sandy soils, can take cuttings throughout the year	
87	<i>Plecostachys serpyllifolia</i> - <i>Clipped Lime or Vaal Tee</i>	Shrub-low laying evergreen	1m	X	Full-semi	Summer-Autumn Pink flowers	Drought tolerant	

88	<i>Scabiosa Africana-Pincushion**</i>	Evergreen mounds	160mm	X		Full-semi	September-December Mauve –white flowers	Fast growing, cut back after flowering to promote quick new growth	
89	<i>Scabiosa incisa</i>	Perennial	430mm	X		X	September-December Mauve –pink flowers	Fast growing, needs well draining soil	
90	<i>Stachys aethiopica</i> <i>African Stachys</i>	Perennial-sprawling	50 cm	X		X	August-September Small white, pink, or mauve flowers		
<u>Bulbous Plants</u>									
91	<i>Asparagus rubicundus*</i> - <i>Wild Asparagus</i> <i>Swart Haakdoring</i>	Shrub-hairless	1.5m	moderate		Semi-shade	March-August White, star shaped flowers	Sandy slopes Edible stocks	
92	<i>Asparagus capensis*</i> - <i>Katdoring</i>	Shrub	1m	Moderate		Full-semi	March-October Tuberose-scented white flowers	Likes stony slopes	
93	<i>Agapanthus praecox –</i> <i>Blue Lilies</i>	evergreen	0.8-1m	moderate		Full-semi	Summer Blue-White flowers	Hardy & robust	
94	<i>Aristea capitata</i> - <i>Tall Aristea</i>	evergreen	1.5m	Plenty of water-Spring & Winter		Full-semi	October-November Intense blue flowers	Rich soil	

ATLANTIC BEACH

Golf Estate  Cape Town

95	<i>Amaryllus bella-donna</i> – <i>March Lily</i>	Bulbous plant	Up to 50cm	moderate	X	February-March Trumpet shaped Pink and white flowers	Plant with Agapanthus	
96	<i>Bulbine frutescens</i> – <i>Cat's Tail</i>	Perennial succulent	75cm	X	Full-semi	Spring flowering Yellow/orange	Fast growing	
97	<i>Babiana stricta</i> – <i>Baboon Flower</i>	Bulb	.10-.30 m	moderate	X	Winter growing Blue, mauve, red, and white flowers	Fairly hardy	
98	<i>Chasmanthe aethiopica</i> - <i>Cobra Lily</i>	Deciduous	0.6m	X	X	April to June Orange flowers	Needs fertile, free draining soil, winter growth	
99	<i>Clivia miniata</i> – <i>Fire Lily</i>	Perennial clump	80cm	Summer watering	Dappled- full shade	August-November Orange, trumpet- shaped flowers	Compost well, summer growing season (3:1:5)	
100	<i>Crinum moorei</i> – <i>Natal Lily</i>	Annual bulb	1m x 200mm diameter	Water well- spring and summer	Dappled shade	October-January White to pinkish-red flowers	Plant along side Plectranthus	
101	<i>Crocasmia aurea</i> - <i>Valentine flower</i>	Fine-textured ground cover	1.2 m	Summer watering	Shade Plant	January-June Luminous orange to red	Iris Family	

ATLANTIC BEACH

Golf Estate  Cape Town

102	<i>Dierama pendulum</i> – <i>Fairy Bell</i>	Evergreen geophyte	2 m	Heavy watering easily spring to late summer	X	Early Spring to Early Summer White to rarely white	Iris Family	
103	<i>Dietes grandiflora</i> – <i>Large Wild Iris</i>	Perennial evergreen	1.5 m	Water well in summer	X	Summer (after rains) White/cream flowers	Well composted Well drained	
104	<i>Dietes bicolor</i> – <i>Yellow Wild Iris</i>	Clump forming	1 x 1 m	X	X	October-January Light yellow flowers	Flowers last one day Fast growing	
105	<i>Gladiolus carinatus</i> – <i>Sword Lily</i>	Bulb	1 m	X	X	Spring Yellow, pink, blue, dark blue flowers	Aromatic flowers Good cut flowers	
106	<i>Lachenalia aloides</i> – <i>Golden Lachenalia</i>	Bulb Deciduous	15-30 cm	Regular watering	X	Late winter-early Spring Orange with red tipped flowers	Semi-hardy	
107	<i>Ornithogalum thyrsoides</i> - <i>Chinkerinchee</i>	Perennial herb	20-50cm	X (water more for larger flowers)	X	October to February White clusters	Winter Growing Species	
108	<i>Oxalis spp.</i> - <i>Sorrel</i>	Perennial Low-growing	.05-.3m	X	X	Pink, yellow, to white	Numerous varieties	

109	<i>Tulbaghia violacea</i> – <i>Purple Wild Garlic</i>	Bulbous plant	0.5 m	X	Full-semi	January-April Pink Flowers	Fast growing	
110	<i>Veltheimia capensis</i> – <i>Sand Lily</i>	Deciduous	0.3 m	Regular watering	X	Autumn- early Winter Reddish-pink flowers	Loves sandy, well drained soil	
111	<i>Watsonia marginata</i>	Deciduous	1.2-1.5m	X	X	September-November Pink-whitish flowers	Winter growing Tough, low maintenance	
112	<i>Zantedeschia aethiopica</i> – <i>Wild Arum Lily</i>	Deciduous	0.6-1 m	Like marshy conditions	Dappled shade	August-January White marshmallow flowers	Likes wet conditions	
<u>Succulents</u>								
113	<i>Aloe cryptopoda</i> - <i>Geelaalwyn</i> ** <i>Yellow Aloe</i>	Densely-leaved rosette	70cm	X	X	Red, yellow, bi-colored flowers	Leaves:grayish-green	
114	<i>Aloe arborescens</i> - <i>Krantz Aloe</i> **	Shrub- multi-headed	2-3 m	X	X	May to July Bicolor-deep orange and yellow	Fast growing and hardy	

ATLANTIC BEACH

Golf Estate  Cape Town

115	<i>Aloe ferox</i> - <i>Red Aloe</i> **	Single stemmed	2-3 m	X	X	May to August Orange & yellow to bright red flowers		
116	<i>Aloe greatheadii</i> var. <i>davyana</i> - <i>Veld Aloe</i> **	Succulent-winter flowering	1.5 m	X	X	June-July Light pink to red flowers	Frost resistant	
117	<i>Aloe marlothii</i> - <i>Mountain Aloe</i> **	Perennial-succulent	2-4 m	X	X	May-September Orange and yellow to bright red	Well drained soil Be careful not to over-water	
118	<i>Aloe striata</i> - <i>Corel Aloe</i> **	Succulent	1.5+	X	X	Winter flowering Coral Red flowers	Very showy when in bloom	
119	<i>Carpobrotus edulis</i> .	Succulent groundcover	60-130 x 10-12mm	X	X	August-October Yellow Flowers	Low maintenance	
120	<i>Carpobrotus acinaciformis</i> * - <i>Dune Sour Fig</i>	Succulent-sprawling perennial	10-15 cm	X	X	July-September Pink flowers	Sandy substrate	
121	<i>Cotyledon orbiculata</i> * - <i>Pig's Ear</i>	Low shrub		X	X	June-August Orange-red flowers	Fast growing	

ATLANTIC BEACH

Golf Estate  Cape Town

122	<i>Drosanthemum spp.</i> – <i>Dew Flowers</i>	Low growing, ground hugging	60cm	X	X	Metallic purple Orange, red, yellow Flowers		
123	<i>Euphorbia mauritanica*</i> - <i>Golden Spurge</i>	Succulent bush	1.5 m	X	X	August-October Yellow flowers	2:3:2 fertilizer monthly	
124	<i>Jordaaneille dubia</i> - <i>Vygie</i>	Perennial Creeping	60cm	X	X	July-September White to pink flowers	Loves sandy substrates	
125	<i>Lampranthus aureus.</i> – <i>Vygies</i> <i>Lampranthus haworthii</i> <i>Lampranthus multiradiatus</i>	Ground cover to small shrub	400 x 500 mm	X	X	Spring through summer Orange flowers Pink flowers Bright pink to mauve	Ferociously easy plant Very showy	
126	<i>Othonna arborescens*</i> - <i>Bobbejaankool</i>	Brittle stemmed succulent	60cm	X	X	May-September Yellow flowers		
127	<i>Ruschia macowanii*</i> - <i>Macowan's Ruschia</i>	Shrub	1.5 m	X	X	Peak Autumn & Spring Pink to mauve	Flowers cover entire body of shrub	
128	<i>Tylecodon paniculatus*</i> - <i>Butter Tree</i>	Shrub	2 m	X	X	November Reddish-orange flowers	Sandy substrate	

129	<i>Zygophyllum sessilifolium</i> * - <i>Wit Spekbos</i>	Shrub let	10cm	X	X	July-September Whitish flowers with red markings	Sandy slopes, or under bushes	
<u>Annuals</u>								
131	<i>Arctotis stoechadifolia</i>	Groundcover	350 mm	X	X	September- December Creamy yellow flowers with maroon undersides	Fast growing Sandy substrate	
132	<i>Chasmanthe floribunda</i> - <i>Yellow Cobra Lily</i> **	Deciduous geophyte	1 m	Likes being damp	X	Mid-winter to early spring Yellow flowers on corms	Water well from autumn to mid-winter	
133	<i>Cotula turbinata</i> - <i>Goose Daisy</i>	Annual	10 cm	X	X	Spring flowering Daisy-like flowers	Sandy substrate	
134	<i>Dimorphoteca sinuate</i> <i>Dimorphotheca pluvialis</i> - <i>Namaqualand daisy</i>	Annual	300 mm	X	X	Spring Large orange flowers with orange centers	Phototropic	
135	<i>Dorotheanthus bellidiformis</i> - <i>Bokbaai Vygie</i>	Ground- hugging annual	25 x 10 cm	X	X	August- Oct Whitish to pinkish flowers	Flat, mat forming	

136	<i>Nemesia fruticans</i> - <i>Mauve Nemesia.</i>	Perennial	600 mm	X	X	September-October Small mauve flowers	Well-drained, compost rich soil	
137	<i>Senecio elegans</i> - <i>Mauve cineraria.</i>	Annual daisy Bush	60 cm	X	X	Spring Mauve to white flowers	Can tolerate windy position and poor soil conditions	
<u>Ground Covers</u>								
138	<i>Asparagus densiflorus</i> – <i>Emerald Fern</i>	Evergreen perennial	1 m	X	Semi-full	Summer White-pale pink sweetly scented flowers	Scrabbling small shrub	
139	<i>Arctotis stoechadifolia</i> * - <i>Trailing Arctotis</i>	Groundcover perennial	350 mm x 1.5 m	X	Semi-full	September-December Yellow blooms	Fast Growing	
140	<i>Arctotheca calendula</i> - <i>Cape Daisy**</i>	Perennial evergreen	10 cm	X	X	Late Spring & early Summer Yellow daisy flowers	Spread vigorously	
141	<i>Arctotheca populifolia</i> * - <i>Sea Pumpkin</i>	Annual or perennial	200 mm	X	X	Flowers after rains Yellow flowers	Creeping & mat forming	
142	<i>Barleria repens</i> - <i>Small Bush Violet</i>	Bushy shrub	0.7 x 1 m	X	Semi-full	February- April Deep mauve- pink-red	Fast growing scrambler	

ATLANTIC BEACH
Golf Estate  Cape Town

143	<i>Barlaria obtuse-</i> <i>Bush Violet</i>	Shrub evergreen	2 m	X	X	April to May Violet flowers	Water more for additional flowering times	
144	<i>Crassula multica</i> – <i>Fairy Crassula</i>	Ground cover Evergreen	300 mm	X	Likes shade	Petite flowers	Fast growing	
145	<i>Dimorphotheca jucundum-</i> <i>"White Moon" Aster**</i>	Ground cover to small tuft	5 x 12 cm	X	X	August-March White daisy flowers		
146	<i>Dymondia margaretae-</i> <i>Silver Carpet</i>	Groundcover	30 mm	X	X	Summer Yellow flowers	Flat growing, mat forming	
147	<i>Gazania rigida*</i> - <i>Karoo Gazania</i>	Groundcover	30+cm	X	X	July-November Yellow or orange flowers		
148	<i>Gazania maritima*</i> - <i>Kaapse Rooi Gousblom</i>	Groundcover	20cm	X	X	Winter-Spring Deep orange flowers	Low growing, perennial herb	
149	<i>Geranium incanum –</i> <i>Carpet Geranium</i>	Groundcover	30cm	X	X	Flowers year around	Forms 300 mm thick carpets	

ATLANTIC BEACH

Golf Estate  Cape Town

150	<i>Grielum grandiflorum*</i> - Sand Primrose Duiker Wortel	Shrub-bushy	1.5m+	X	X	Yellow Flowers	Great for covering hanging walls	
151	<i>Helichrysum petiolare</i> – Curry Bush	Shrub	0.5-1 m	X	X	December-January Creamy white flowers	Spreads quickly, needs to be cut back periodically	
152	<i>Limonium perigrinum</i> – Sea Lavendar	Small shrub	1m	X	X	August-January Light red-pink flowers	Coastal Dunes	
153	<i>Pelargonium capitatum</i> Rose Scented Pelargonium	Shrub	0.3 x 1.5 m	X	X	Sept-Oct pink Flowers	Plant in sandy substrate	
154	<i>Pelargonium Trieste</i> Night Scented Pelargonium	Flowering tuft		X	X	August-February yellow flowers	Plant in sandy substrate	
155	<i>Plectranthus spp.</i> Spur Flower	Ground cover to small shrub		X	Semi-full	Late autumn-Summer Shades of blue & purple	Shallow root system	
156	<i>Sutera cordata</i> - Snowflake	Low lying groundcover	Up to 16 cm	Water well	Semi-full	Mid- spring-early winter White, light blue flowers	Keep moist	

Climbers

157	<i>Cissampelos capensis*</i> - Davidjies	Perennial climber	Creeper	Moderate	Semi-shade	Fast growing	Stony slopes	
158	<i>Kedorostis nana*</i> - Dwarf Kedrotis <i>Ystervarkpatat</i>	Deciduous climber	Creeper	Moderate	X	Spring Tiny greenish-yellow flowers	Heart shaped, green leaves Summer fruit	
159	<i>Microloma sagittatum*</i> - Bokhoring	Herbaceous climber	Creeper	Moderate	Semi-full	Spring-Summer Pink flowers		
160	<i>Rhoicissus tomentosa</i> - Forest Grape	Evergreen Vigorous climber	3-7 m Small shrub	Water well	Semi-full shade	Oct-Jan	Edible fruits Great wall covering species	
161	<i>Senecio tamoides*</i> - Canary Creeper	Scrambling Climber	4 x 2 m	X	X	March-July Yellow flowers	Mostly evergreen
